BACKGROUND

Te Whare Wānanga o Awanuiārangi is a vibrant and exciting tertiary education institution providing a dynamic learning environment where students can discover their own potential for educational success.

Our programmes are designed to ensure academic excellence and student success. We provide quality educational experiences across various disciplines and set high standards for students and staff. Our growing research capacity informs quality teaching and learning, as well as ongoing programme re-development.

As a Wānanga, Te Whare Wānanga o Awanuiārangi is charged with delivering tertiary programmes grounded in Kaupapa Māori and Āhuetanga Māori. This means that Māori knowledge and practices are central components to the academic programmes, teaching delivery, and student experiences.

Tikanga Māori and Te Reo Māori are central to the way in which we operate and are reflected across Te Whare Wānanga o Awanuiārangi in our programmes and practices. While some of our programmes have a high level of Māori language emphasis, others are designed to support new and emerging language learners.

Te Whare Wānanga o Awanuiārangi further provides programmes that are portable and transferable both nationally and internationally. Therefore, it is important that we explore and integrate the worldview of both Māori and other indigenous peoples and engage in and critique the worldviews of others.

Transformative approaches to educational achievement are a cornerstone of our broad and unique programme offerings, as we focus on providing an education that will encourage and support community development and growth, enabling educational portability for our students both within Te Whare Wānanga o Awanuiārangi and the wider tertiary sector.

Operations are based at three locations – Whakatāne, Tāmaki Makaurau (*Auckland*), and Wairoa. We also deliver on marae across the Te Ika a Maui (*North Island*).
